

Showcase - Posidonia 2018

4th – 8th June 2018

Metropolitan Expo Centre | Athens | Greece

INTRODUCTION

Greek ship owners and operators are leading the world by controlling the world's largest commercial fleet making up some 20% of total world deadweight tonnage. In mid-2017 there are 69 fleets under Greek control over 1 million DWT comprising of over 2,800 ships. The market strength of Greek operators is further underlined by their purchasing billions of dollars of second-hand vessels. Since 2007 the Greeks have ordered over 4,000 newbuilds, the most in the world, even in these difficult times. Almost half of all newbuild LNG's are Greek owned.

Keeping this huge commercial armada in business requires Greek owners to spend upwards of US\$ 4 billion per year just on repairs, drydocking, conversions, equipment upgrades and general maintenance. The increasing demands of regulations have seen major investments by fleet operators in cutting-edge Nox/Sox scrubbers, ballast water management systems, plus navigation and other shipboard technology.

With modern second hand tonnage entering the world market, the Greeks are continually upgrading their fleets since they are in the main cash rich and taking the opportunity to buy quality tonnage at very keen prices. This tonnage should need maintaining, converting and upgrading work which means opportunities for the British supply chain.

UK SHOWCASE AT POSIDONIA 2018

The Society of Maritime Industries (SMI) is the organiser for the UK Group. Companies are hereby invited to join the showcase.

The advantages of joining the showcase are:

- A space in the lightwall is over 50% more cost effective than a 9sqm stand
- Brochure rack space
- Exhibitor pass
- Showguide and web site entry
- Storage for bags and brochures
- Coffee on the stand
- Always a presence on the stand so you are able to work the show effectively knowing any enquiries will be handled
- Learn from others in the UK group
- Potential hotel/flight savings

STAND

We are proposing to have an 18sqm space 6m wide and 3m deep. At the back of the stand will be a lightwall and each showcase company will have one spot approx 800mm x 800mm in size to display a logo and web site address.

- It will be first come first serve on positions on the lightwall
- There will be a cupboard for storing briefcases, brochures
- High tables with stools for meeting
- Brochure racks for showcase companies
- The lightwall will sit within a modular built stand as part of the UK Pavilion. 12sqm stands and larger are available via the SMI as well.

Equipment – There is not a lot of room to display equipment. The SMI are willing to hear what equipment you would like to display but it can't be at the detriment of other stand users.

We need eight companies to commit to this showcase offer. Image below give you an indication of the lightwall effect.

COST OF PARTICIPATING

1 x lightwall space: Member Rate £2,150 ex VAT (£2,580 inc VAT), Non-member £2,350 ex VAT (£2,820 inc VAT)

SOCIETY OF MARITIME INDUSTRIES (SMI)

TERMS AND CONDITIONS OF PARTICIPATION AT EXHIBITIONS

1. All stands must be in the name of a UK registered company.
2. SMI may acknowledge receipt of an unsupported application to participate in the exhibition. Such acknowledgement does not commit SMI to consider allocation of stand space nor provide any further service. Such commitment by SMI to consider allocation of space will apply only to those applications from an exhibitor that have been supported by payment in full.
3. Stand fees include rental of space, provision of a fully constructed shell-scheme stand and display aids as part of a group of stands and SMI's administrative charges.
4. Exhibitors must pay in full all invoices for stand fees as they fall due. Failure to do so may be regarded as a breach of this contract. In such cases articles 16, 17, 18 and 23 of these terms and conditions apply.
5. Exhibitors applying for stands with an UK pavilion must take the shell-scheme provided.
6. No additional construction to the shell-scheme is permitted, except by prior and written agreement from SMI.
7. Companies having received such agreement from SMI are themselves responsible for seeking quotes, commissioning and payment of additional construction to the shell-scheme.
8. SMI will make every effort to provide the size of stand requested, but can not guarantee in advance either the hall, position, configuration of stand, or total area that can be provided.
9. Where it is necessary to offer an area varying by greater than 20% of the area requested, SMI will first seek the agreement of the applicant.
10. If compromise can not be reached, exhibitors party to this agreement remain responsible for payment of the whole stand available, but SMI will make all reasonable effort to find a replacement company.
11. Should it be necessary to allocate a stand area greater than originally requested, the exhibitor must pay in full on receipt of invoice for additional areas. Should it be necessary to allocate a stand area less than originally requested, SMI will refund the difference in stand fees should a reduced area only be available.
12. Every reasonable care will be taken in the allocation of space to companies to avoid inclusion of pillars and fire hydrant access points on stands. Where this is not possible, companies will not be charged for net stand area displaced by pillars, or hydrants.
13. SMI is unable to guarantee that it is able to offer sufficient space to satisfy the total UK group requirement. Space will therefore be allocated strictly in order of receipt of applications supported by payment in full for stands.
14. Where there is insufficient space to be able to confirm allocation of a stand, companies will be refunded their stand fees in full.
15. Exhibitors withdrawing from the group after SMI is committed to payments on the company's behalf will forfeit their stand fees in full unless a replacement company can be found to take all of the withdrawing company's stand.
16. SMI will make all reasonable effort to find replacement companies, but will not guarantee to secure replacement.
17. Where a replacement exhibitor can be found, a charge of 20% of stand fees, up to a maximum of £1,000 will be charged to the withdrawing company to cover the additional administrative costs incurred.
18. SMI undertakes, on behalf of the organising association and exhibitors, to forward all applications for DIT grant to the DIT. Grant application forms and DIT terms and conditions of support are available on request from SMI.
19. Neither SMI nor the organising association is able to guarantee that an exhibitor is eligible for DIT support.
20. SMI will make all reasonable effort to check to see that a company is eligible for DIT support before contracting for space and construction on behalf of a company.
21. Where it is not possible to confirm that an exhibitor is eligible for DIT support in advance of contracting for payments, or in instances where an exhibitor may have DIT support withdrawn after SMI has contracted for payment on behalf of an exhibitor, the exhibitor will remain liable to pay for the full cost of the stand it has been allocated.
22. SMI will not authorise payment of any DIT grant monies for any exhibitor that has not previously paid stand fees and invoices for provision of services in full to SMI.
23. The organising association, SMI, and DIT shall not be held liable for ensuring that the exhibitor, its personnel, and exhibits are adequately insured against all risks.
24. In submitting this application, exhibitors accept responsibility for ensuring that they are adequately insured against all accident, claims arising from negligence and that their exhibits are also insured against loss, or damage.
25. No damage may be caused to the shell-scheme, or display aids supplied, particularly by use of nails, or tacks for attaching panels to the shell-scheme walls.
26. If damage is so caused, companies will be liable to meet the full cost of replacement of the damaged items.
27. Exhibitors are forbidden to further embellish the fascia panels of their stands by use of unauthorised additional graphics, or display aids.
28. Exhibitors are requested not to promote their presence and exhibits in a manner likely to cause offence, or nuisance to other exhibitors, or in contravention of the organisers' terms and conditions of participation.
29. From time to time, SMI may appoint service companies to offer group freight, travel, accommodation, promotion and other services as may be thought in the interests of the joint venture exhibiting companies.
30. Where SMI makes such appointments, joint venture exhibitors are free to make use of the services of such companies at their own risk.
31. Such appointments are made in the interests of reducing individual costs for joint venture participants. Exhibitors are not obliged to use such services.
32. SMI acts solely as an agent on behalf of the exhibitor and takes no liability for exhibitor's recovery of monies paid to a stand contractor who before the completion of the delivery and the build of the stands becomes bankrupt or otherwise ceases to trade.
33. SMI shall not be held liable for the performance, actions or negligence of appointed contractors by the organisers.
34. Exhibitors shall be liable for payment of all additional site services (use of group telephone and fax, stand cleaning).
35. Synopsis of Terms and Conditions for companies in DIT supported exhibition joint venture groups.
 - a. Stands must be in the name of a UK registered company.
 - b. Exhibits must be predominantly of UK origin.
 - c. Stand must be managed throughout the exhibition by personnel competent to best promote the company and product.
 - d. SMI, its constituent Trade Associations, employees, agents and sub-contractors, shall not be liable in any event for any economic loss, loss of profit, revenue, goodwill or anticipated saving or for indirect, special, incidental and consequential loss or damage of the exhibitors or others, however caused, whether SMI was aware that such loss or damage may arise.
 - e. Except as provided in these terms and conditions SMI, its five constituent Trade Associations, its employees, agents or contractors, the UK Secretary of State for Trade and Industry, DIT and its employees shall not be liable either in contract, tort (including negligence) or otherwise, for any claim, costs, demand or liability whatsoever and howsoever arising out of or in connection herewith of the supply of any services hereunder.
36. SMI reserves the right to raise a surcharge on stand fees, in the event of significant devaluation of Sterling.
37. In submitting this application, the exhibitor agrees to be bound by these terms and conditions and those of the Event Organisers.
