

Boatplus Brief Introduction

请在我们的72,132个产品中搜索

产品 ▾ | 请输入您要搜索的内容

Q

www.boatplus.cn is the only website focusing on the boat and marine equipment selection and on-line exhibition platform in China. It provides over 70,000 marine products for the government, design institute and shipyard working on this field.

On Boatplus, the users only need to register an account before they search and go over all the products. They could use the function of “product comparation” with max of 4 similar type of products which they are interested in at the same time. They may also get more details and examples on product pages efficiently. The users could also save the products and suppliers and share with their comrades.

产品信息				
	舷内发动机	船用主机	船用发动机	Z170柴油机
品牌	Volvo Penta 沃尔沃通达	Scania 斯堪尼亚	FPT 菲亚特	潍柴
