

OCEAN BUSINESS 2019

9 – 11 April 2019

National Oceanography Centre – Southampton

An offer to display company advertising promotion brochures for non-exhibitors

Ocean Business is now firmly established as an unmissable international event for ocean technology. As with previous shows, Ocean Business 2019 will be maximising face-to-face interaction between exhibitors and customers. The three-day international exhibition of technology and services is backed up by a programme of hands-on training and demonstration workshops. Taking place at the National Oceanography Centre in Southampton, the show provides a unique venue with dockside facilities that are fully integrated into the show

Companies are invited to forward limited quantities of promotional brochures to SMI for distribution to visitors and for display on racks on the SMI stand at the exhibition. Each company will be limited to three different styles of brochures (e.g. equipment, company, services, etc.). The cost for this service, which includes transport to the exhibition and active promotion and distribution of the brochures from the SMI stand during the exhibition, is £100+VAT per company, irrespective of the number of brochures forwarded.

Companies wishing to make use of this service should complete the attached application form and forward it to the Events Manager at Society of Maritime Industries by **Monday 1st April 2019** together with payment. Please note that whilst the SMI team will do their utmost to distribute all the promotional material during the exhibition, material not distributed by the close of the exhibition will be left for disposal.

Promotional material should be of A4 size or smaller and packaged in individual cardboard boxes, **each not exceeding 30 cm x 30 cm x 23 cm. The overall weight must not exceed approximately 5 kg. (requirements to be respected)**. This must be clearly labelled with the company name, contents and marked **“FOR OCEAN BUSINESS 2019”** and should be addressed to the Events Manager of the Society of Maritime Industries, 28-29 Threadneedle Street, London EC2R 8AY and dispatched to arrive at our offices no later than **Monday 1st April 2019**.
